

*At LadybugFlights we have always encouraged the participation of our readers. For that reason we have this space, a place where **you** can be heard. Nothing as formal as an article or a column... Just some venting, self-expression, or a chance to communicate what you are thinking on almost any topic. **Send it to us** and we will let you know if we can use it!*

Scary numbers in last month's feature article. If I had read it anywhere else I would have thought someone made it up. Thanks for bringing us the facts. I love it that you mentioned Women's eNews, another of my favorites to find facts that the *regular* media ignores.
