

*At LadybugFlights we have always encouraged the participation of our readers. For that reason we have this space, a place where **you** can be heard. Nothing as formal as an article or a column... Just some venting, self-expression, or a chance to communicate what you are thinking on almost any topic. Send it to us and we will let you know if we can use it!*

I just came from the Writers Room... I'm thinking... Will get back to you soon.
